Snowman Sampler Boot Cuffs

A Snappy Tots Original Crochet Pattern.

Sample above made by Heidi of Snappy Tots.

Thanks to Kathy Velte for making cute boot cuffs to match my Sampler Snowman Scarf.

This pattern is based off of my original scarf pattern and made to look like her boot cuffs. She gave permission for this pattern to be created.

Materials and Details

- Yarn- worsted weight yarn in Red Heart Super Saver: White, Pumpkin, Cherry, Spring Green, Turqua, Bright Yellow, Black (optional for smile)
- Crochet Hook: H, I
- Misc: yarn needle, stitch markers, scissors, measuring tape, 4 small black buttons for eyes, sewing needle, black sewing thread, black embroidery floss (optional for smile)
- Gauge: Follow measurements on each size.
- Sizes: Child, Teen/Adult; Tips for custom widths included at end of pattern.

Tips

- First stitch of each row is worked into the same stitch as the turning chain unless noted.
- Numbers at the beginning of each line may refer to steps and not indicate number of rows.
- Reminder: “hdc 2” = work one hdc in each of the next 2 sts; “2hdc in next st”= an increase, work 2 hdc in one st.
- The shape of the boot cuff will vary depending on size. The smaller sized cuff will appear more tall and skinny than the main photo.
- The bottom edge could be sewn shut and a handle added for a little treat bag.

Directions

Child Large (approximately 5-12 years) - make 2

Since children's calf size can vary greatly, please check measurements and adjust size according to "Custom Sizing" tips at end of pattern.

Finished cuff measurements: 6.5" tall x 5.5" wide
Pattern is worked from bottom to top. Substitute colors as desired.

1. With an H hook and turquoise yarn, ch 10, sc in 2nd ch from hook and in each ch across. (9sts)

Note: for the following rows, the first and last sts will be worked as regular sts. The middle sts are worked in BLO.

2. Ch 1, turn, sc in same st, sc 7 in BLO, sc in last st.

3-42. Ch 1, turn, sc in same st, sc 7 in BLO, sc in last st.

Finished strip: 2.25" wide by 11" long. Add or subtract rows at this point to match length if needed.

43. Ch 1, turn. At this point we are ready to seam the short ends together. Fold the beginning edge (first row), up behind the current (last) row and match up the sts. Sl st in the BLO of the front layer and into the first st of the back layer. Continue to sl st through both layers across, finishing with 9 sts.

44. Turn the piece right side out so the seam is on the inside. Ch 1, pivot to work across the long edge. Sc 42sts evenly across the long edge, sl st to join. (42sts)

Tip: Use st markers to divide the round in half and then again in qtrs. Work 10-11 sts between each st marker. This will help place the sts evenly. You should be able to sc one st at the end of each short row.

45. Change to red yarn (for first round of scarf). If you tend to work single crochet sts more snug than others you will want to use an I hook for the following 3 rounds.

Note: "scarf" for second cuff could be done in different colors if desired.

Ch 1, sc in each st to end of round, sl st to join.

46. Change to lime green yarn. Ch 1, sc in each st to end of round, sl st to join.

47. Change to red yarn. Ch 1, sc in each st to end of round, sl st to join.

Make sure your cuff does not cinch in at this point or your cuff may not fit.

48. Change to white yarn. Work this round in BLO. Ch 1, (sc, hdc, dc) in same st, sk 2, *(sc, hdc, dc) in next st, sk 2*, repeat to end of round, sl st to join.

49. Ch 1, (sc, hdc, dc) in same st, sk 2, *(sc, hdc, dc) in next st, sk 2*, repeat to end of round, sl st to join.

50-53. Repeat previous round.

54. Change to lime green yarn. Ch 2, hdc in each st to end of round, sl st to join.

55. Ch 2, *fphdc around next post, bphdc around next post*, repeat to end of round, sl st to join.

56. Ch 1, sc in each st to end of round, sl st to join. Finish off and weave in ends.

Custom Sizing

Since calf sizes vary greatly, here are some tips for creating a custom size.

Follow pattern as written, making the following adjustments:

- Measure around the widest part of the calf.
- Work beginning rows until the piece measures 1" SMALLER than calf measurement from starting edge.
- Make sure the number of sts worked around the top edge of the beginning rows is divisible by 3. This is BEFORE the scarf rounds begin.
- Decrease or Increase number of rounds in the white snowman section to adjust the height.
