2. There is not a ch at the beginning of this step. (hdc, ch 2, sl st) in the next st. Finish off, leaving a long tail for sewing the nose in place.
Place the nose in the middle of the white section, centered on one long side. With a yarn needle, use the yarn tail to sew the outer edge of the nose in place. Allow the middle of the nose to bulge. See main photo for placement.

Eyes: With a sewing needle and black thread, sew the buttons above the nose.

Smile: With a yarn needle and black ww yarn, stitch a smile in place.

Handle: Cut 9 pieces of black blanket yarn approximately 18" long. Hold all of the strands together and tie a knot in one end. Divide the strands in thirds and braid. Tie a knot in the other end.
With a yarn needle and black ww yarn, sew each knot at the sides of the basket. This will be under the earmuffs so check placement in the main photo. Adjust the handle length if needed by tying one of the knots higher up on the handle piece and cutting off the extra yarn.
