Tree Trimming: With a yarn needle and bright colored yarn (variegated in sample), stitch lines in a zigzag pattern across each tree section. See main photo for placement suggestions.

Additional items could be added, such as buttons, a star or pompom on top.

Stack the tree section on top of each other. With a yarn needle and matching yarn, sew the layers together at the top of the tree.

Hanger: With an H hook and matching yarn, sl st into the top of the tree. Ch 30, sl st in the same spot on the tree. Finish off and weave in ends.

Trunk

1. With an H hook and brown yarn, ch 4, sc in the 2nd ch from hook, sc 2. (3sts)

2-4. Ch 1, turn, sc in the same st, sc 2.

Finish off, leaving a yarn tail for sewing the last row to the bottom section of the tree.

With a yarn needle, use the yarn tail from the trunk to sew the trunk to the back/remaining loops at the middle of the bottom of the tree.
