4. \*Sc 2, 2 sc in next st\*, repeat to end of round. (32sts)  
2.25-2.5" across

5. \*sk 1, 2hdc in next st\*, repeat to end of round.

6. Tip: Think of the 2hdc in one stitch in the shape of a "V". The 2hdc in the next round is worked between the 2hdc posts, in the the valley of the "V".

\*2hdc between posts of 2hdc from previous round\*, repeat to end of round.

7. Repeat previous round until piece measures 8" from starting point/beginning circle (measure flat).

8-9. Sc in each st to end of round.

10. Place marker for start of round. This step starts the handle. Sl st in next st, ch 50 for a short handle as shown in main photo (ch 120 for a shoulder length handle), sk 2 sts on rim, sl st in next st, sc in each st on rim to end of round.

11. Sc in each ch across handle, sc in each st to end of round.

12. Sl st in each st across handle, sc in each st to end of round.

13. For the first part of this round, please refer to photos below. Sc across handle, working into space below each sl st. Sc in each st to end of round. Working "around" the sl st round creates a stronger handle.

For step #13 you will be working "around" the slip stitch from previous round. The slip stitches in the photos above are highlighted with yellow. Insert your hook in the space right below the slip stitch (see arrow in first photo above).
