Messy Bun Beanie

These open top beanies are one of my most favorites because I often have my hair in a ponytail and end up wearing headbands. I thought it would be fun to make our goose a messy bun beanie too.

This is worked from the bottom edge of the beanie to the top opening. Earflaps are added last.

1. With an I hook and one strand worsted weight yarn (Sample: Burgundy), ch 30, sl st in the last ch from hook to form a circle. Make sure the chain is not twisted. (30sts)
2. Ch 1, hdc in the same st and in each st to end of round, sl st in the first st to join.
3. Change to yarn for the stripe (Sample: Aran). Note: I did not cut the beginning yarn since I used it after this round.
Ch 1, FPHDC around each post to end of round, sl st in the first st to join.
4. Finish off the current yarn and change back to the beginning yarn. Ch 1, sc in the same st and in each st to end of round, sl st in the first st to join.
5. Ch 1, *sc, sc2tog*, repeat to end of round, sl st in the first st to join. (20sts)
6. Ch 1, *sc 3, sc2tog*, repeat to end of round, sl st in the first st to join. (16sts)
7. Ch 1, sc, *sc2tog, sc 3*, repeat to end of round, sl st in the first st to join. (13sts) Finish off and weave in ends.
8. This step starts the first earflap. Use the same hook and yarn to start in any st on the bottom edge of the beanie. Ch 1, sc in the same st, sc 6. Leave the remaining sts unworked. (7sts)
9. Ch 1, turn, sc2tog, sc 3, sc2tog. (5sts)
10. Ch 1, turn, sc2tog, sc, sc2tog. (3sts)
11. Ch 1, turn, sc2tog, sc. (2sts)
12. Ch 1, turn, sc2tog. Finish off and weave in ends.
13. Skip 8 sts on the bottom edge of the beanie from the last st on step 8. Repeat steps 8-12.
14. After the last earflap do not finish off. Ch 1, sc 4 sts evenly spaced up the side of the earflap, sc in each st on the bottom edge of the beanie, sc 4 sts evenly spaced down the side of the earflap, 2sc in the tip of the earflap, sc 4 sts evenly spaced up the side of the earflap, sc in each st on the bottom edge of the beanie, sc 4 sts evenly spaced down the side of the earflap, sl st in the first st to join. Finish off and weave in ends.

Braids

Cut 12 pieces of yarn 15" long. Set 6 pieces aside for the second braid.

For the sample, there are 2 cream and 4 red per braid.

Pull the yarn tails through the tip of one earflap until the ends are even. Divide the strands in thirds and braid. Tie a knot near the bottom of the braid. Trim the ends of the braids as desired.

The “Hair”

I have designed this so you can style the hair multiple ways.

1. The “hair” strands are attached the ridge on the inside/wrong side of the beanie created by working the front post sts on step 3. Turn the beanie inside out.
2. Cut 60 strands of yarn, 28” long. I used two shades of brown (Buff, Cafe). There are 30 sts on this round and I attached 2 strands to each st.
3. Fold 2 strands in half and use a crochet hook to pull the center loops through one of the sts on the ridge mentioned on step 1. Pull the yarn ends through the loops until the loops are snug against the st.
4. Repeat for each st on the ridge. See photo at right.
5. Pull the strands of yarn apart. This makes the yarn look less like yarn, plus gives it a fuller, frizzy appearance.

Tip: I found it easiest to hold the beanie between my knees and start close to the beanie when pulling the strands apart. In the photo I am using one hand because my other hand was taking the photo. Usually I use both hands to gently pull the strands apart.

Once the hair is complete, carefully pull all of the strands through the top hole.

Styling The Hair

Once it is pulled through, it can be left down, pulled up into a hair elastic, or made into a messy bun (or two buns).

How I Make A Messy Bun: I wear my hair in 1 or 2 messy buns quite often.

Use a hair elastic to wrap around the base of the hair (as it comes out of the hat), 2 or more times until you can wrap it only one more time. On the last wrap I like to be on the top of the head (as shown in the photo at left). Pull the hair elastic over the top of the hair, forming the bun. Do not pull the hair all the way through.

Wrap the remaining hair around the base of the bun and either tuck under the hair elastic or use another elastic over the top of the bun to hold in all those extras.

Two messy buns are done the same way, just divide the hair first.

Sleeves (make 2)

The sleeve starts at the top/shoulder.

Leave a long tail in the beginning for attaching sleeve to robe when complete.

1. With a J hook and 2 strands worsted weight yarn (Sample: 1 strand Aran + 1 strand Oatmeal), start with a magic circle of 8 sc sts (or preferred method for starting a circle of 8 sc sts), pull to close and place a marker for working in the round. (8sts)
 2. 2hdc in each st to end of round. (16sts)
 3. *2hdc in the next st, hdc 3*, repeat to end of round. (20sts)
 4. Hdc in each st to end of round.
 5. *2hdc in the next st, hdc 4*, repeat to end of round. (24sts)
 - 6-7. Hdc in each st to end of round.
 8. *2hdc in the next st, hdc 11*, repeat once. (26sts)
 9. Hdc in each st to end of round.
 10. Repeat the previous round 4 more times.
 11. Sc, sl st. This is the new beginning of the round. Ch 1, hdc in the same st and in each st to end of round, sl st to join.
 12. Ch 1, FPHDC around each post from the previous round, sl st to join.
 13. Ch 1, sc in the same st and in each st to end of round, sl st to join.
 14. Repeat the previous round for an additional 6 rounds.
 15. LOOSELY sl st in each st to end of round. Finish off and weave in ends.
 16. This step starts the white, wing part. Fold back the end of the sleeve until the ridge from the post stitches on step 12 are accessible. With an I hook, attach 1 strand of white yarn to a st on the ridge. See photo. Ch 1, hdc in the same st and in each st to end of round, sl st to join. (26sts)
 17. Ch 1, *hdc 11, hdc2tog*, repeat once, sl st to join. (24sts)
 18. Ch 1, *sc 10, sc2tog*, repeat once, sl st to join. (22sts)
 19. Ch 1, *sc 9, sc2tog*, repeat once, sl st to join. (20sts)
 20. Ch 1, *sc 8, sc2tog*, repeat once, sl st to join. (18sts)
 21. Ch 1, *sc 7, sc2tog*, repeat once, sl st to join. (16sts)
 22. Ch 1, *sc 6, sc2tog*, repeat once, sl st to join. (14sts)
 23. Ch 1, *sc 5, sc2tog*, repeat once, sl st to join. (12sts)
 24. Ch 1, *sc, sc2tog*, repeat to end of round, sl st to join. (8sts)
- Finish off, leaving a long tail for sewing the end closed.
- With a yarn needle, use the yarn tail to weave in and out of the remaining sts. Pull closed and secure the end.

Notice in the photo that one edge of the white wing part tapers towards the end tip and the other stays more straight. Adjust your wing and flatten it to resemble the photo. The cuff is approximately 2".

Use the beginning yarn tail to sew the top 1" of the shoulder part of each wing to the sweater. This is easiest when the sweater is on the goose. See photos for placement.

Tip: I like to put the sweater on the goose, pin the sleeves in place, and set the goose across the room. Look at it from different angles and adjust if needed.
