GOOD TO KNOW BEFORE YOU START

- First stitch of each row is worked into the same stitch as the turning chain unless noted.
- Numbers at the beginning of each line may refer to steps and do not necessarily indicate number of rows.
- Stitch count remains the same unless noted at the end of the line.
- Sample colors may be substituted as desired.
- This could easily be a ghost instead of a goose by leaving off the feet and beak. Use a yarn needle and yarn color of choice to stitch a round nose under the eyes instead.
