Cape

10.5" wide x 5.5" tall

What is this costume? Well... it was designed as a vampire, but my son said penguin (the beak and feet do add to that). When I asked some friends they also saw Elvis. So, what is this costume? Anything your creative brain wants it to be.

This starts at the neck and is worked back and forth in rows to the bottom edge.

1. With an H hook and worsted weight yarn (black in sample), ch 19, sc in the 2nd ch from hook and in each ch across. (18sts)
2. Ch 1, turn, sc in the same st, sc 3, hdc 10, sc 4.
3. Repeat the previous step.
4. Ch 1, turn, 2hdc in the same st, hdc until 1 st remains, 2hdc in the last st. (20sts)
5. Repeat the previous step 2 more times, ending with 24sts.
6. Ch 1, turn, 2hdc in the same st, hdc 6, 2hdc in the next st, hdc 8, 2hdc in the next st, hdc 6, 2hdc in the last st. (28sts)
7. Ch 1, turn, 2hdc in the same st, hdc 8, 2hdc in the next st, hdc 8, 2hdc in the next st, hdc 8, 2hdc in the last st. (32sts)
8. Ch 1, turn, hdc in the same st and in each st to end of row.
9. Repeat the previous step for an additional 2 rows.
10. This step is worked around the outer edge of the coat, Ch 1. Do not turn.

Working down the side of the coat, sc in the post of the previous hdc, sc 13 sts evenly across the side of the jacket, (sc, sl st) in the first st of the beginning row, sl st in each st across until 1 st remains, (sl st, sc) in the last st. Sc 13 sts evenly across the next side of the coat, (sc, ch 1, sl st) in the first st of the row, 2hdc in the next st, hdc in each st until 2 sts remain, 2hdc in the next st, (sl st, ch 1, sc) in the last st, sl st to join. Finish off and weave in ends.

Wrap the coat around the goose. For the sample goose, I used a piece of matching yarn and a yarn needle to sew the front edges together approximately 1.75" from the top edge. I just took a couple of sts and left the rest open.
