11. Ch 1, turn, sc2tog, sc 9, sc2tog. (11sts)

12. Ch 1, turn, skip first st, sc in each st to end of row. (10sts)

Note: I chose to skip the first st to create the decrease instead of working 2 sts together. I preferred the way the chin looked by doing it this way.

13. Repeat step 12 until 2sts remain.

14. This step is worked around the outer edge of the witch face. Do not turn. Sc evenly around the face, working 2sc in each corner. At the end of the round, work sc2tog at the point of the chin, sl st to join. Finish off and weave in ends.

With a yarn needle and matching yarn, sew the top edge of the witch face to the scarf, overlapping 2 rows of the widest end of the scarf.

With a yarn needle and black yarn, stitch the smile and eyes in place.

Witch Hair (make 2)

Each strip starts at the snake end.

2. Ch 2, turn, 2hdc in same st, hdc 2. (4sts)

5. Ch 1, turn, sc3tog. (1st)
6. Ch 1, hdc in last st of decrease (see arrow in first photo below).
7. This step creates the body of the snake. *ch 2, turn, hdc in same st as ch* (see arrow in middle photo below for placement and last photo for finished st), repeat until snake measures 12" from start of head.

8. This step creates the curly rattle tail section. Ch 30, sc in 2nd ch from hook, 3sc in each of the next 9 chs, *sc, 3sc in next ch*, repeat in each remaining chain. Sl st in first section of snake to join. Finish off, leaving a long tail to sew hair to witch.

To attach the hair, create a loop in the middle of the hair piece. With a yarn needle, use the yarn tail to sew each hair piece to the top edge of the witch face. See photo for placement.

Snake Tongues: Cut two pieces of yarn, 3" long. Fold one in half and pull center loop through the tip of a snake head. Pull the ends through the loop until secure. Repeat for second tongue.
