Cooked Turkey

Materials: Worsted weight yarn in tan and cream. Sample was created with Lion Brand, Vanna's Choice Honey and White.
Hooks: H hook (4.5mm), I hook (5.0mm)
Yarn needle
Stuffing (lol) for the legs and wings

Directions for all sizes:
Follow increases until desired size, as listed at the end of the row, then skip to "for all sizes" and continue.
Note: Do not join at the end of each round, unless stated. This hat is worked in a continuous round to avoid a "seam" look.

Instructions are included for sizes newborn-adult, however the turkey legs will be large for hats smaller than child size. I would suggest trying an F hook for the legs and wings for the smallest sizes.
Gauge: 4" = 13 hdc and 9 rows

With I hook and Honey yarn, Ch 6 (or magic loop), join and pull closed.
1. 2sc in each stitch around (12sts).
2. *sc 1, 2 sc in next st*, repeat to end of round. (18sts)
3. *sc 2, 2 sc in next st*, repeat to end of round. (24sts)
4. *hdc 3, 2 hdc in next st*, repeat to end of round. (30sts) newborn
5. *hdc 4, 2 hdc in next st*, repeat to end of round. (36sts) 3-6 mths
6. *hdc 5, 2 hdc in next st*, repeat to end of round. (42sts) 6-12 mths
7. *hdc 6, 2 hdc in next st*, repeat to end of round. (48sts) 12-24 mths
8. *hdc 7, 2 hdc in next st*, repeat to end of round. (54sts) Child/preteen
9. *hdc 8, 2 hdc in next st*, repeat to end of round. (60sts) Teen/Adult
10. *hdc 9, 2 hdc in next st*, repeat to end of round. (66sts) Large adult

For all sizes: When increase rows for desired size have been reached, do not join. Remove marker and hdc each stitch until hat measures the length needed according to the chart below. Finish off and weave in ends.

Legs (make two): Leave a long tail in the beginning to use for attaching the leg to the hat later. With H hook and Honey yarn, Ch 6 (or magic loop), join and pull closed.
Do NOT join at the end of each round. Place a stitch marker, same as hat.
1. 2sc in each stitch around (12sts).
2. *sc 1, 2 sc in next st*, repeat to end of round. (18sts)

3. *sc 2, 2 sc in next st*, repeat to end of round. (24sts)
4. *sc 3, 2 sc in next st*, repeat to end of round. (30sts)
5. Sc in each stitch to end of round.
6. Sc in each stitch to end of round.
7. *sc 3, sc2tog*, repeat to end of round. (24sts)
8. Sc in each stitch to end of round.
9. *sc 2, sc2tog*, repeat to end of round. (18sts)
10. Sc in each stitch to end of round.
11. Sc in each stitch, with 3 decreases this round. (15sts)
12. Sc in each stitch to end of round.
13. Sc in each stitch, with 3 decreases this round. (12sts). Start stuffing the leg. If you wait until the end it will be hard to get the stuffing down to the largest part of the leg.
14. Sc in each stitch to end of round.
15. Sc in each stitch, with 3 decreases this round. (9sts)

16-18. Sc in each stitch to end of round.

19. Sc2tog, sc in each stitch to end of round. (8sts) With so few stitches, it will be a little difficult. Just be patient.
20. Sc in each stitch to end of round. Change to white yarn.
21. Sc in FLO to end of round.
22. Sc in each stitch to end of round.
23. Flatten tip and sc through both sides. *Ch 5, sl st in st directly below current stitch*, repeat around, making loops. Finish off and weave in all ends. For more loops, add another round, making each loop, ch 7, for longer loops.

Wings (make 2): Leave a long tail in the beginning to use for attaching the wing to the hat later. With H hook and Honey yarn, Ch 6 (or magic loop), join and pull closed

1. 2sc in each stitch around (12sts).
2. *Sc, 2sc in next st*, repeat to end of round. (18sts)

3-4. Sc in each st to end of round.

5. *Sc 7, sc2tog*, repeat to end of round. (16sts)
6. *Sc 6, sc2tog*, repeat to end of round. (14sts)

7-8. Sc in each st to end of round.

Place a marker. (Note: steps 9-13 are worked back and forth in rows)

9. Sc in next 13 st, ch 1, TURN.
10. Sc in same st and in next 5, sc2tog, sc 5, ch 1, turn.
11. Sc in next 4, sc2tog, sc 5, ch 1, turn.
12. Sc in next 3, sc2tog, sc 4, ch 1, turn.
13. Sc in next 2, sc2tog, sc 3, ch 1, turn.
14. Sc in next st, sc2tog, sc 2. Sl st to first st of row to join in round.
15. Sc 12 evenly around opening. (As if adding a cuff to a slipper)
16. Sc2tog, sc 10. (11sts) Lightly stuff wing if desired.
17. Sc2tog, sc 4, sc2tog, sc 3. (9sts)

18-19. Sc in each st to end of round.

20. Sc2tog, sc 3, sc2tog, sc 2. (7sts)
21. Sc in each st to end of round.
22. Sc2tog, sc 5. Finish off. Use yarn tail to close opening.

Braids: Cut 6 strands of white, approximately 20", for each braid. Use a yarn needle or crochet hook to pull ends through the flattened part of the leg tip (see photo). Pull through until even with other end and braid. Repeat for other side

Assembly: First, give each piece (wings and legs) a few tugs and move the stuffing around until you like the shapes.
This can be assembled any way you would like. The legs could point up, completely on the hat, instead of forming ear flaps. Omit the braids if you choose this way.
The legs and wings could swap places, with the legs at the top of the hat and the wings toward the bottom.
I suggest placing the hat over a mannequin head or similar sized item, such as a large vase. This makes it much easier to find placement for the pieces.
Use the yarn tail from each item and a yarn needle to sew the items in place. I hold the piece in place pull the yarn needle through the hat and into the side of the item. Continue to sew along the piece until you have as much sewn to the hat as desired. I like the wings sticking out so I only attached approximately 1.5" of the fattest end.
Note: Use the lines the rounds create to measure distance and placement of pieces so they are equal.
Remember, this is a turkey. I am sure their wings and legs aren't perfectly placed so don't stress this part.

Variations: I really like this beanie. Alone, without the turkey pieces, it would be a wonderful hat plain or striped.

MAGIC LOOP: This is THEE best way to start a circle. Please google or youtube "magic loop" or "adjustable loop" for help. You will be so happy you did. I can never get a regular joined chain to close completely.

HEAD AND HAT SIZE CHART

for brand new babies to adult men

I prefer to make hats approx 1" smaller than the head circumference so they will stretch and not be too big. Note: All measurements are approximate and based on "average" head sizes according to several online sources. Hat "height" is the measurement from top of crown to bottom edge.

Brand new babies		
Head Circ: 12" – 13"	Hat Circ: 11 - 12"	Hat Height: 5" – 5.5"
Newborn		
Head Circ: 13" - 14"	Hat Circ: 11.5" - 13"	Hat Height: 5.5" to 6"
Baby - 3 to 6 months		
Head Circ: 14" - 17"	Hat Circ: 13" – 16"	Hat Height: 6.5 – 7"
Baby - 6 to 12 months		
Head Circ: 16" - 19"	Hat Circ: 15" – 18"	Hat Height: 7.5"
Toddler (1 - 3 years)
